ROOKWOOD RIDE & BREAKFAST: 6AM

Rookwood Cemetery is recognised as the oldest, largest and most multicultural working cemetery in Australia. It is a place of remembrance and peace; however it is also historically and culturally significant.

We invite the community to experience all that Rookwood Cemetery has to offer, at the 2014 Open Day.

Rookwood Cemetery is regarded as one of the world's last surviving Victorian Cemeteries, from its heritage listed architecture through to its iconic monuments.
